

Fertilizer Stock Monitoring App Guide

1. Entry Page

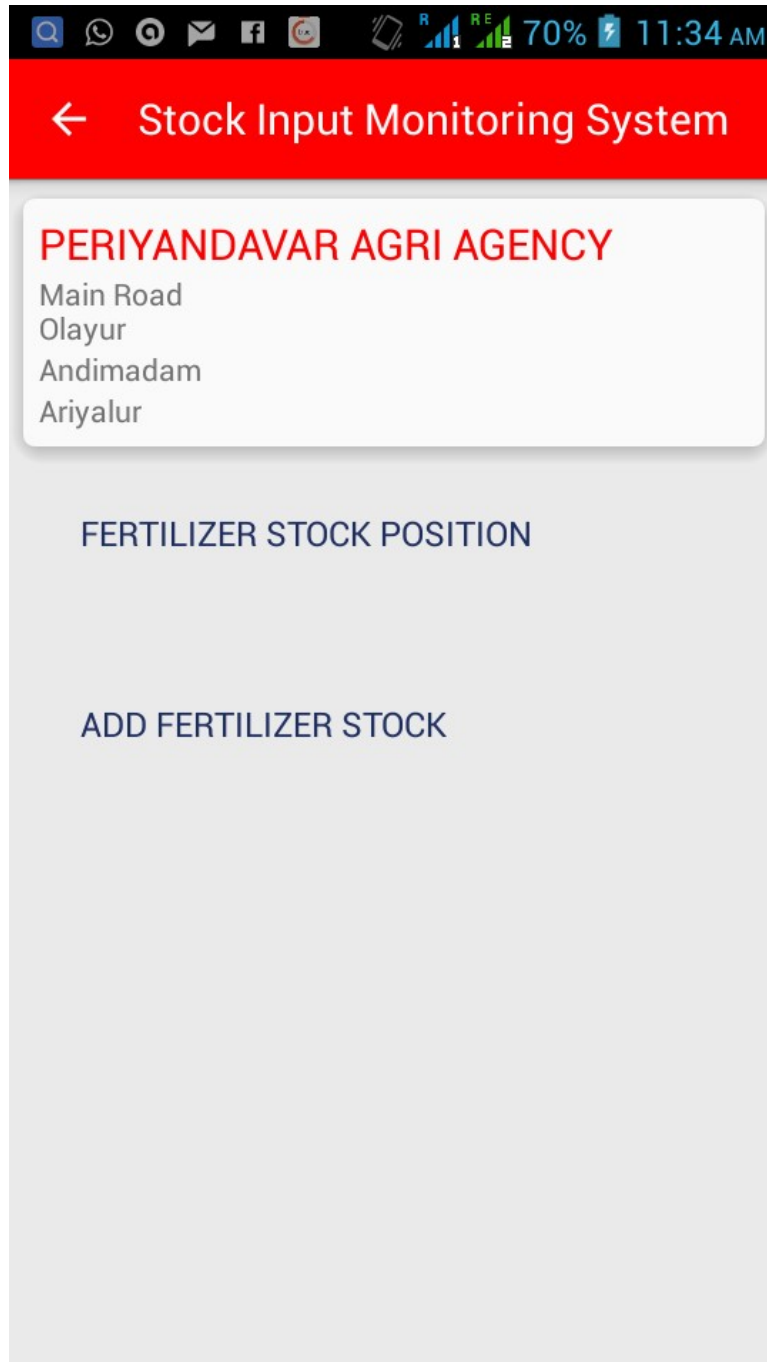

2. Click Dealer Login , Enter Your Mobile Number and Click Register.

The screenshot shows a mobile application interface. At the top, there is a red header bar with the text "AGRI STOCK MONITORING SYSTEM" in white. Below this, the main content area has a white background. It features a title "STOCK MONITORING SYSTEM" in blue, followed by a text input field labeled "Mobile No" with a red underline. Below the input field is a white button with the text "REGISTER" in blue. The bottom portion of the screen is a solid light gray area. The top status bar of the phone is visible, showing various icons, signal strength, 70% battery, and the time 11:33 AM.

3. Dealer Homepage

4. To Check Current Stock position Click
“FERTILIZER STOCK POSITION”

The screenshot shows a mobile application interface for an 'AGRI STOCK MONITORING SYSTEM'. At the top, there is a red header bar with the text 'AGRI STOCK MONITORING SYSTEM' in white. Below the header is a table with five rows, each representing a different fertilizer type and its stock quantity. The table is styled with a light gray background and thin red horizontal lines separating the rows. The status bar at the top of the phone shows various icons including search, WhatsApp, Telegram, Email, Facebook, and a camera, along with signal strength, Wi-Fi, and battery level (71%) indicators. The time displayed is 11:34 AM.

Fertilizer Type	Stock Position
UREA	1
DAP	500
MOP	29
SSP	500
COMPLEX	96

5. Click Back Button to get Back Dealer Home Page
6. To Change any stock Value Click “ADD FERTILIZER STOCK” On Dealer

The screenshot shows a mobile application interface with a red header bar containing a back arrow and the text "Fertilizer Input System". Below the header, there are two input fields: "Fertilizer" with the value "UREA" and "Stock(in kgs)" which is currently empty. A red "SUBMIT" button is positioned below the input fields. The status bar at the top of the phone shows various icons, signal strength, 71% battery, and the time 11:39 AM.
